

## Short CV

	SCHOETERS, Greet
	Prof. Ph.D; HBM4EU- Co- Coordinator
	VITO (Flemish Institute for Technological Research)
	Belgium
	<p>Greet Schoeters is senior projectmanager at VITO, professor at the Public Health Institute of the Southern Denmark University and at the department of Biomedical Sciences of the University of Antwerp. She coordinates since 2002 the Flemish human biomonitoring study (FLEHS <a href="http://www.milieu-en-gezondheid.be/en">http://www.milieu-en-gezondheid.be/en</a>), and since 2010 the 3xG birth cohort (<a href="http://www.studie3xg.be/">http://www.studie3xg.be/</a>). She is co-coordinator of the European HBM4EU project and leads the science policy pillar of the project. She is vice chair of the Scientific Committee of the European Environment Agency (EEA) and participated in the European Scientific Committee of Health and Environmental Risks (SCHER 2013-2016) and of the CONTAM panel of the European Food Safety Agency (2003-2006). She was president of the European Society for Toxicology in Vitro (2008-2012).</p>
